

Our Team

Last Updated Donnerstag, 25 Februar 2010

In the organisation we have three permanent employees, one employee on community service (Zivildienstleistender), as well as several volunteers. Each member of the ADB team has technical ability as well as a great deal of sensitivity. This combination makes the successful handling of our discrimination cases possible. Supported by a large number of active volunteers, we attend to the advice and support of those seeking our assistance, as well as correspondence, projects and press contacts.
